School of Health Sciences and Sports
Bachelor of Science in Nursing

Module Outline

Academic Year 2021 / 2022 Semester 1

Learning Module	English I		Class Code	ENGL1101
Pre-requisite(s)	Nil			
Medium of Instruction	English		Credit	3
Lecture Hours	24 hrs	Lab/Practice Hours	21 hours	Total Hours 45 hrs
Instructor:	Lorraine Chan Mei Lan		E-mail	lorrainechan@ipm.edu.mo
Office:	Rm M716, Meng Tak Building, Main Campus		Telephone	85993467

Description

This one-year First Year English course aims to increase students' exposure to different contexts of using English for authentic communicative purposes. Basically, the four macro-skills are covered. Students are encouraged to build their confidence in expressing themselves in English through various activities and tasks. In addition, 20 hours would be used as the beginning part of developing students' English reading, writing and speaking ability required as a nurse. Emphasis is placed on the medical terminology about health concepts, diseases and other nursing terms.

Learning Outcomes

After completing the learning module, students will be able to:

1. understand some medical terms
