MODULE DESCRIPTION

This module aims to introduce to students the business law in various aspects of business and commerce commonly encountered in practice, and to enable them to apply the relevance of legal rules and practices to business problems and practical situations. Emphasis will be placed on understanding the legal environment in which business operates.

MODULE INTENDED LEARNING OUTCOMES (ILOs)

On completion of this learning module, students will be able to:

M1.	Explain the concept and functions of law, including the relationship between morality, justice and the law.
M2.	To introduce students to the practice and administration of legal and constitutional framework
M3.	Critically evaluate the branches of the executive, legislature and the judiciary and their roles in policy and law making.
M4.	Understand the judicial system and the profession.
M5.	Describe and explain the basic principles of contract and the different components of the law of contract
M6.	Apply the principles of contract law to solve legal problems by: • reading and interpreting cases • interpreting statutes • dealing with facts • conducting legal research • solving problems • developing persuasive arguments • using legal authorities

	writing and communicating orally.
M7	Evaluate different forms of business organization
M8	Know how to set up and the operations of different business organizations.

These ILOs aims to enable students to attain the following Programme Intended Learning Outcomes (PILOs):

PILOs	ILOs(M)

STUDENT FEEDBACK

At the end of every semester, students are invited to provide feedback on the learning module and the teaching arrangement through questionnaires. Your feedback is valuable for instructors to enhance the module and its delivery for future students. The instructor and programme coordinators will consider all feedback and respond with actions formally in the annual programme review.

ACADEMIC INTEGRITY

The Macao Polytechnic University requires students to have full commitment to academic integrity when engaging in research and academic activities. Violations of academic integrity, which include but are not limited to plagiarism, collusion, fabrication or falsification, repeated use of assignments and cheating in examinations, are considered as serious academic offenses and may lead to disciplinary actions. Students should read the relevant regulations and guidelines in the Student Handbook which is distributed upon the admission into the University, a copy of which can also be found at www.mpu.edu.mo/student_handbook/.
