Instructor	Dr. CHAN YM Cymon Dr. TONG HY Henry Dr. LEI IF Miriam Drs. from CDC		E-mail	ymchan@ipm.edu.mo henrytong@ipm.edu.mo iflei@ipm.edu.mo
Office	Rm. M728 (Cymon) Rm. M710 (Henry) Rm. M703 (Miriam) Meng Tak Building, Main Campus		Telephone	8599-3446 (Cymon) 8599-3438 (Henry) 8599-3425 (Miriam)

Description

This 30-hour compulsory module aims to facilitate students to obtain a broadened understanding of public health/preventive medicine theory and practice, as well as their relatedness to laboratorial / pharmaceutical professionals. The learning is characterized by reviewing most impacting public health issues in Macao during the past decade, and by eliciting active participation and reflection of students.

Learning Outcomes

Through this module, the students are expected to:

1. Learn the theoretical fundamentals of public health/preventive medicine.
2. Recognize the history and current situation of public health in Macao.
3. Master the roles of Medical personnel in public health management.

Content:

	Topics	Hours
1.	Introduction, Essential Public Health Functions	2
2.	School Nursing, Occupational Health	2
3.	Environmental Health, Community Ethics	2
4.	Managing Quality and Safety, Public Health Policy	2
5.	Substance abuse in Macao, Covid-19 vaccine for global protection	2
6.	Global Burden of Diseases	2
7.	Pathological Gambling	2
8.	Food Safety in the Public Health Perspective	4
9.	Macao CDC's selected topics	10
10.	Group Presentation	2

Teaching Method

Lectures, discussions, group presentation and sharing.

Attendance

Attendance requirements are governed by the “Academic Regulations Governing Bachelor’s Degree Programmes of Macao Polytechnic Institute”

Assessment

This learning module is graded on a 100 point scale, with 100 being the highest possible score and 50 being the passing score. Any student scoring less than 35% of the total mark in the group presentation or written report will be given an “F” grade for the course even if the overall grade is 50% or higher. If the overall grade is less than 35%, the student should re-take the course next year.

Items	Description	Due Date	Weight
Continuous Participation	Full attendance	The last day of class	20% (30 hours)
Quiz (Tong’s session)	3 x 5-min quiz	Every Tong’s lecture	7% + 7% + 6%
Quiz (Miriam’s session)	20-min Quiz	2 nd lecture	15%
Topic Report	Group presentation	23 rd April 2021	30%
	Group assignment	10 th May 2021	15%
Total Percentage:			100%

Teaching Material(s)

Materials prepared by the teacher.
