MODULE DESCRIPTION

This 30-hour module provides a strong foundation for developing English language proficiency in nursing, including reading, writing, and speaking. The course emphasizes medical terminology related to health concepts and nursing terms, preparing students for effective communication in a healthcare setting.

MODULE INTENDED LEARNING OUTCOMES (ILOS)

On completion of this learning module, students will be able to:

M1.	demonstrate proficiency in medical vocabulary and terminology commonly used in nursing practice, including the ability to accurately pronounce and spell medical terms.
M2.	develop effective communication skills in English to interact with patients, healthcare professionals, and other members of the interdisciplinary team in a medical setting.
M3.	enhance listening skills to comprehend medical information provided by patients, colleagues, and healthcare professionals, including accurately understanding and responding to instructions and requests.
M4.	acquire the ability to read and interpret medical texts, such as medical records, articles and healthcare guidelines, with a focus on accuracy and comprehension of specialized medical terminology.
M5.	develop the skills necessary to write clear and concise medical documentation, such as progress notes and incident reports
M6.	gain knowledge of common medical abbreviations and acronyms used in healthcare documentation, and effectively use them in written and verbal communication to ensure accuracy and efficiency.

These ILOs aims to enable students to attain the following Programme Intended Learning Outcomes (PILOs):

STUDENT FEEDBACK

At the end of every semester, students are invited to provide feedback on the learning module and the teaching arrangement through questionnaires. Your feedback is valuable for instructors to enhance the module and its delivery for future students. The instructor and programme coordinators will consider all feedback and respond with actions formally in the annual programme review.

ACADEMIC INTEGRITY

The Macao Polytechnic University requires students to have full commitment to academic integrity when engaging in research and academic activities. Violations of academic integrity, which include but are not limited to plagiarism, collusion, fabrication or falsification, repeated use of assignments and cheating in examinations, are considered as serious academic offenses and may lead to disciplinary actions. Students should read the relevant regulations and guidelines in the Student Handbook which is distributed upon the admission into the University, a copy of which can also be found at www.mpu.edu.mo/student_handbook/.
