MODULE DESCRIPTION

With the foundation built in Advanced English I, this module (Advanced English II) aims to consolidate and further enhance students' reading and writing skills. It is built around the idea that writers learn by reading. Original works are selected to exemplify various topics on grammar and vocabulary in context as well as reading and writing techniques. The works presented in this module range from the Preliminary Advanced Level at the beginning of the semester to the Advanced Level towards the end of the semester. Proficiency will be promoted through immersion in exemplary language use.

MODULE INTENDED LEARNING OUTCOMES (ILOS)

On completion of this learning module, students will be able to:

M1.	Understand the concept of polysemy and choose the correct meaning based on the context;
M2.	Link conversational forms with their meanings;
M3.	Understand the different meaning units and how these different units relate to one another to form a coherent interpretation;
M4.	Read beyond the semantic content;
M5.	Linking the texts with the socio-cultural context and general knowledge of the world;
M6.	Examine and discuss in depth various issues and topics in the selected texts;
M7.	Convey common ideas, mood, and atmosphere creatively;
M8.	Use specific words to write substantial descriptions creatively;
M9.	Use various methods of modification to develop substantial descriptions;
M10.	Use subordination and coordination to combine constructions;

M11.	Apply the techniques observed in the reading materials in one's writing;
M12.	Proofread one's own writing with the help of various applications.

These ILOs aims to enable students to attain the following Programme Intended Learning Outcomes (PILOs):

STUDENT FEEDBACK

At the end of every semester, students are invited to provide feedback on the learning module and the teaching arrangement through questionnaires. Your feedback is valuable for instructors to enhance the module and its delivery for future students. The instructor and programme coordinators will consider all feedback and respond with actions formally in the annual programme review.

ACADEMIC INTEGRITY

The Macao Polytechnic University requires students to have full commitment to academic integrity when engaging in research and academic activities. Violations of academic integrity, which include but are not limited to plagiarism, collusion, fabrication or falsification, repeated use of assignments and cheating in examinations, are considered as serious academic offenses and may lead to disciplinary actions. Students should read the relevant regulations and guidelines in the Student Handbook which is distributed upon the admission into the University, a copy of which can also be found at www.mpu.edu.mo/student_handbook/.
